The Elegance

Captivating design. Full length swim.

The Elegance pulls out all the stops: ultra-modern square, and clean, crips lines.

Keeping pace with the demand for modern design, The Elegance is a clear show stopper with its stunning visual appeal and optimised functionality. With an unobstructed swimming corridor, avid swimmers can comfortably make full use of the space without crowding those who choose to relax in the generous seating area. Optional spa jets luxuriously transform this seating space into a relaxing spa area. By integrating the entry/exit steps to the side of the swimming corridor, the area inside the pool is fully maximised. The Elegance comes in a variety of sizes to accommodate almost every backyard setting.
