LEISURE POOLS®
SWIMMING IN QUALITY AND STYLE®

The Harmony

Classic style. Slimline approach.

The Harmony is a popular design with its ability to seamlessly blend in with its environment.

This simple, rectangular pool boasts a sleek, modern design, with a spacious bench that spans the entire length of the pool offering easy access to the entry/exit steps leading down into the pool. With the design of the full-length bench and steps on one side of the pool, the deepest part can be furthest away from the foundation of the home. As a result, The Harmony works well in smaller backyards with its ability to be installed closer to home. The deeper design, enhanced with an end-to-end swim channel, provides a comfortable swim for even the tallest of people.
