SWIMMING IN QUALITY AND STYLE®

The Reflection

Graceful style. Inclusive design.

Classic design, sensibility, and overall functionality transcends time.

Dressed in style, The Reflection meets all the criteria for functional design. Suitable for any home, this rectangular swimming pool offers entry steps at both ends of the pool along with a bench seat running the entire length of the pool, making room for an expansive swimming corridor. The versatile design of this pool allows for the deepest end to be placed away from the foundation of the home, creating an opportunity to place the pool closer to the home. Additionally, the contemporary corners of The Reflection invites many landscaping options to suit your personal taste and aesthetic.
